Join us tonight in the Fellowship Hall with Dr. Chi Ekwenye-Hendricks of Nigeria. Dinner at 5:30 followed by Chi's presentation about God's work through Right Steps in Nigeria. Child care provided during the presentation.

*Walt Moore has completed his radiation treatment. Praise God! Thank you for all your prayers and support during this journey!*

*Sharon and I would like to thank everyone for their cards, calls and prayers regarding my recent hospitalization. Also, my recent PET scan came back completely clear. No more cancer! God does hear our prayers and for that I am comforted and confident. Dennis Bosquet*

We are looking to hire apprentices and interns to assist with our college and youth ministries.

The **College Ministry Apprenticeship** is a part-time, two-year program starting in the Summer or Fall of 2025. The purpose of the apprenticeship is to expand our reach to the UGA campus and deepen the spiritual formation of college students. This position will be a fundraised position. If you would like to contribute to this program, please reach out to Brink.

We are also searching for **Youth Ministry Interns** for Summer 2025. The interns will work with Allison and Brink to serve and lead our youth into closer relationships with one another and Christ. This position is funded through the church budget.

Please pray that God would lead the right people to us, prepare us to receive and care for them well, and equip us all to live into our calling in Christ through the power of the Holy Spirit. Brink is leading the search for both candidates. If you have any connections, please let him know.
